

Dear Editor:

I take this opportunity to request that you consider the manuscript: “**First reports of *Zoophthora radicans* (Entomophthoraceae) and *Metharhizium rileyi* (Clavicipitaceae) as pathogens of *Plutella xylostella* (Lepidoptera: Plutellidae) in Argentina**”to be published in Revista Mexicana de Biodiversidad. We propose as potential reviewers: Dr. Justin Hatting (hattingj@arc.agric.za) and Dr. Andreas Leclerque (Andreas.Leclerque@hs-gm.de).

Thank you for your consideration.

Sincerely,

Dra. Romina Manfrino
